LVMPD Now Testing Nationally for Police Recruit

It is an exciting time for the Las Vegas Metropolitan Police Department. We are in need of more officers to partner with the community and have a goal of hiring 360 new police recruits in 2016!

The LVMPD is now accepting applications nationally for Police Recruit and we have partnered with the National Testing Network (NTN) to help facilitate this process. NTN offers a video-based entry level police exam at numerous testing facilities in over 20 states. For a small fee, interested candidates have the flexibility and convenience of testing with NTN throughout the year and can apply their scores to any of our open Police Recruit processes. We anticipate openings every 2 months in 2016.

Candidates who have already taken the NTN exam within the last year may apply their score with us, and those who have not yet tested must take the NTN exam prior to the current application closing date. Candidates must send their scores to the LVMPD via www.nationaltestingnetwork.com.

Applications will be accepted through Wednesday, March 9, at 3:00 p.m. PST, or until 2500 applications have been received.

Candidates must be at least 21 years of age and possess a high school diploma or General Education Diploma (GED). Candidates who successfully pass the NTN will be invited to participate in the physical fitness exam and oral board process in Las Vegas.
