On August 27, 2009, an armed robbery occurred in the area of Cathedral Way and Las Vegas Blvd. The suspects were described as two black male adults about 5'9", 160 lbs, wearing all dark clothing. Multiple credit and bank cards were taken during the robbery. Later that evening, the stolen cards were used at two retail stores. These stores were in the area of Rancho / Lake Mead and Cheyenne / Rainbow. It appears that a black female wearing a multi-colored shirt, jeans, and a ponytail made purchases at both locations with the stolen cards. The group was seen leaving the store in a white older sedan. This vehicle was possibly a late 90's Ford Thunderbird with tinted windows and a sunroof.

The Las Vegas Metropolitan Police Department is requesting the public's assistance in identifying the described suspects. The actions of the suspects were captured on a video surveillance system, and it is hoped that someone will be able to identify them after viewing their pictures. Anyone with information is urged to call the LVMPD Robbery Section at (702) 828-3591, or to remain anonymous, please call Crime Stoppers at (702) 385-5555. Thank You.
