## COLLISION DETAILS:

On October 27, 2009 at 7:40 p.m. a critical injury auto / pedestrian traffic collision occurred on E. Charleston Boulevard west of Spencer Street. Evidence at the scene indicate the pedestrian was crossing Charleston from the north to the south, in a marked crosswalk. The Lincoln was traveling eastbound in the right travel lane. As the pedestrian entered into the right travel lane he was struck by the Lincoln. The pedestrian was transported to UMC Trauma where he was admitted with critical injuries . The accident remains under investigation by the LVMPD Accident Investigation Section.
